

Free, VERY cool programs from Cabot & Dakin.

Click on images to learn more.

Cabot Farmers and the Dakin family care about their communities.
Naturally we know you do, too.

Grandparents and parents can use our toolkit to help their children understand how to make better financial and food choices.

Get to know the folks behind the World's Best Cheddar.

Use Cabot to raise money for your churches or schools.

Free plays available for download to schools and organizations to perform. Tool kit includes tickets, posters, and programs. Ready and Royalty free.

Inspiring young people to investigate more about the cooperative business model in their communities. Who benefits and why? Scouts can earn badges.

A web-based program that allows volunteers to log time and be eligible for a rich range of monthly prizes awarded monthly – vacations to products to cash for non-profits.

Ask to have the Farmers' traveling meal truck stop at your volunteer event. If your schedule matches your event time, we could be on hand to feed volunteers as you help with Habitat, the food bank or other community projects supported by volunteers.

Our own team of RD's can afford employees and volunteers webinars about healthy eating and ways to improve Heart Health and other dietary challenges. Tools you can deliver on your own or when we can, our own RDs can present online.

Just in case you or a neighbor was tapped to coach elementary or middle school or community soccer and your skills are a little rusty, take advantage of the teachings by our favorite Olympian and ESPN analyst to brush up on your game.
